Gabor Garai, Honorary Consul General of Hungary is looking for a Hungarian-American business man/woman with significant business experience.

He or she will be placed at [MassChallenge](#) for 3 months as an intern to learn about start-up accelerators and their functions.

After the internship (s)he will assist the Hungarian government to set up a similar/sister organization in Hungary.

This is an unpaid internship, but a great learning experience.

If you are interested please send you application (resume and a short cover letter) to Gabor Garai at [ggarai@foley.com](mailto:ggarai@foley.com)
