

The Consulate General of Hungary in New York is organizing extramural consular days in Boston, MA from the 13th to 14th of December 2016.

The primary task of the consular days is to bring the simplified naturalization process and the possibilities provided by the “Magyary Simplification Program”, by overcoming distances closer to those US citizens of Hungarian origin whose interests have been raised.

The simplified naturalization process means a solution first of all to those citizens of Hungarian origin who or whose ascendants lost Hungarian citizenship for any reason (territories detached from Hungary, deprivation of citizenship etc.).

Other services beyond the simplified naturalization process that will be performed are passport applications, passport renewals and translation certifications.

You must make an appointment and give all persons' names who you would like to attend at: [ncsok@mfa.gov.hu](mailto:ncsok@mfa.gov.hu) or 212-752-0669, 212-752-0661, 212-660-7945

Important: Those whose names are not given in advance won't be able to come in to the building!

Venue:  
Honorary Consulate of Hungary Boston  
111 Huntington Avenue, Boston, MA 02199, 25th floor
